My dear Mr. Ambedkar:

I have your letter concerning the case of the Negroes in America and the Untouchables in India before the United Nations. As you say a small organization of American Negroes, The National Negro Congress has already made a statement which I am enclosing. I think, however, that a much more comprehensive statement well documented will eventually be laid before the United Nations by the National Association for the Advancement of Colored People. If this is done I shall be glad to send you a copy.

I have often heard of your name and work and of course have every sympathy with the Untouchables of India. I shall be glad to be any service which I can render if possible in the future.

Very sincerely yours,

W.E.B. Du Bois
